Dear Mr Schweizer

I am writing regarding your recent application to obtain a GB licence.

Checks have been carried out and it has been found that the German driving licence you have applied to exchange is not valid as you have been withdrawn from driving in German.

Therefore, we are unable to proceed with your application. The documents supplied cannot be returned to you for security reasons and will be returned to the German licensing authority.

Please find enclosed your application form and fee.

Yours sincerely

Jamie Crowhurst
