Dear Mr Ktause

DRIVING LICENCE APPLICATION

Thank you for your recent application to exchange your licence. The application is returned to you for the following reason/s:-

* You have lorry and/or bus entitlement on your licence.

Please answer the following question:

-I want/do not want lorry/bus categories (delete as applicable).

If you want lorry and/or bus entitlement, please fill in the enclosed D2 application form and have the enclosed D4 'Medical Examination Report' filled in and signed by a doctor/optician, who will charge you a fee.

If you do not want lorry and/or bus entitlement, return this letter and your original application (you can then ignore the D2 and D4 application forms).

Please ignore any parts of the form circled in red ink. This is for internal use and helps to process your application quickly.

Please return the completed application form in the envelope provided, making sure you include all the necessary documents and pay the correct postage.

This letter must be returned with your application
